ALBANY-BERKELEY P.T.A. COUNCIL TO ELECT DELEGATES

The next regular meeting of the Albany-Berkeley Council of Parent Teacher Associations is scheduled for December 2 at 9:45 a.m. at the Administration building, 1414 Walnut, Berkeley, with Mrs. L. W. Garcia, first vice president, presiding.

During the business session, a delegate to the 16th District nominating committee will be elected. Those attending will be given informal written ballots to suggest possible candidates for District officers. These ballots will serve as a guide and aid to the nominating committee delegate.

Reading, art and music will be featured in the three-part program presented by W. G. Woolworth, fourth vice president and director in the department of Education. Principal Dr. George Martin and Mr. Woolworth will conduct a demonstration of reading technique used in the elementary schools in the reading readiness program.

Miss Myrtle Gifford, art supervisor, will show art in action from the kindergarten through high school with students participating.

St. Alban's Men's Club Annual Communion Sunday

Canon Vesper Ottmer Ward, S. T.M., director of Christian Education for the diocese of California and editor of "The Pacific Churchman," will be the preacher at the annual Men's Corporate Communion on Sunday morning. Canon Ward is conducting a weekend conference on "Religion in the Home," which began Friday evening and will conclude on Sunday at 3:30 p.m.

He will also be the speaker at the church school, which meets at 9:15 a.m. The choir is under the direction of Lois Fox Herr. Dr. Randolph Crump Miller is the vicar.

Various art techniques will be discussed. An interesting musical demonstration will be conducted by Miss Maybelle Wilson, music supervisor, with the audience participating as students.

Cornell Carnival To Star Popular Albany Talent

Gaiety and merriment will be the order of the day on Friday, December 6th, when the Cornell P.-T. A. Carnival gets into full swing. Mrs. Joseph McCormick, carnival director, promises an unusual array of gifts for Christmas. An all-star variety show will highlight the evening, with popular Ed Howell acting as master of ceremonies.

A new song trio, former Harmonettes, will make its Albany debut when Peggy Priest, Charene Gannett and Linda Hayden introduce their songs. Lois Moore and Marian Oversen, Albany high school girls, who are well known as a dance team, will take part in the entertainment as will John Kallender who will play an accordion solo and many other local performers who will present their acts. Valuable door prizes will be given, one of which is a 15-pound turkey.

Mechanics Bank Mailing Out Xmas Checks

Christmas shopping problems will be simplified for 300 far-sighted club members of the Albany Branch of the Mechanics Bank.

Over \$36,000 is now being mailed out. Duke Sallee, manager of the Mechanics Bank in Albany, is pleased to announce that \$4600 was the increase in Christmas Savings in 1946 over 1945. This, incidentally, is a record few banks in the Bay Area can duplicate, as most banks report the amount of this year's checks, approximately the same as last year.

Governor Warren Issues Thanksgiving Proclamation

Gov. Earl Warren had today officially designated Nov. 28 as Thanksgiving Day in California in the following proclamation:

"We have come to the end of another harvest season and to the accepted time of taking stock of the blessings which have come to us during the year.

"For every man, of every creed, this has been a year crowded with much for which solemn expression of thanksgiving is due our Heavenly Father.

"In keeping with the glorious American tradition it is proper that a day be set apart for religious consecration and for re-dedication to the ideals and majestic principles which have served as our guide during all these months.

"On this day we can all count among our blessings the unity and understanding which have kept our Nation strong and vigorous. We can offer thanks for a concept of government which keeps alive a sense of individual responsibility. We can rejoice in the ability of the

Albany Girls Win Play-Day Games

The annual Albany-El Cerrito girls Playday was held November 18 in the El Cerrito gymnasium. Albany won five out of the eight games played. Doughnuts and cokes were served after the games.

The teams composed of Lois Williams, Shirley Young, Marianne Pendo, Jentra Thacher, Mary Lou Bellamy, Beverly Filbert, won both volleyball and basketball games. Irene Klein, Lola Bryan, Shirley Coberly, Gerry Calhoun, Mildred Borba, Phyllis Brothers and Joan Harvey were the victors of two basketball games.

Breaking even with credit for one volleyball and one basketball game were Lucy Winningham, Dorothy Yanagi, Janice Pickering, Jean Douglas, Murial Ekdahl, Miyuki.

Hard playing sportswomen losing both games were Phyllis Harbord, Alanna Karp, Helen Hubbard, Lois Beale, Lois Crites, Jean Darlington and Ruth Miller.

The winter formal sponsored by the "Block A" Society will be held in the Albany High Auditorium November 22 at 8 p.m. The admission is a dollar per couple. Ten members of James Wells' journalism class made a tour of the San Francisco Chronicle, Tuesday, November 19. Miss Virginia Lyon, former Newssette editor and Albany high school graduate, showed them around the building. Virginia is employed by the Chronicle as a copy girl.

The 'Y' Mothers Club of the Albany YMCA will hold their annual Bazaar on Tuesday, December 3, and members cordially invite the public to attend this interesting event. The Bazaar will be held at the Albany YMCA center on Kains Avenue and the luncheon will be 50 cents per person.

ALASKA IS EXCHANGE CLUB TOPIC

Tonight, the Albany Exchange Club will hear Bert George who recently returned from a hunting and fishing expedition in Alaska. Howard Wright, program chairman for the evening, stated that George's topic will be "Alaska—A Paradise for the Sportsman." A large crowd of sportsmen is expected to be on hand to gather first-hand information from George concerning vacationing in Alaska. President Milt Gordon will preside over the meeting.

Joe Beidler, chairman of the Exchange Club Annual Christmas Party, announced that tickets are now on sale for the informal Christmas Party to be held in the Leanington Bowl Saturday evening, December 14. Dinner dancing will take place from 8 to 12 p.m. Music will be provided by Hi Davis' orchestra. Beidler stated that several door prizes will be given away absolutely free. Serving on the Christmas Committee are Jack Livingood, Dick McSheely, Vern Freeman, Art Smith, Louis Celia, Harry Barrows, Al Magazin and Clarence Buonaccorsi.

President Milt Gordon stated that at next week's noon meeting, December 3, the Albany Exchange Club will hear Dr. Charles R. Shepherd of the Chung Mei Home in El Cerrito, and the program chairman will be Art Smith, local police sergeant.

Bert Hill, local councilman, will have as his speaker on December 10, Larry Dayton, former deputy district attorney, who will speak on the subject "Homicide is My Hobby."

Civilian Defense Equipment For Sale

There will be a public auction on Friday, Saturday and Sunday, December 13, 14, and 15, of city equipment, mostly left-over civilian defense items, according to E. A. Tarr, city engineer.

The equipment consists of bicycles, typewriters, garden sprinklers, cots, mattresses, blankets, first aid equipment, ladders, and various other items.

The sale will be held at the civilian defense building on the east side of Memorial Park on Carmel near Portland Avenue in Albany.

The city reserves the right to reject any and all bids.

Chateau Tanya Has New Owner

Sale of the Chateau Tanya to George Hein, owner of George's Inn on Solano Avenue, was announced this week.

Hein already has taken over operation of the establishment.

Dr. John A. Cull, Albany author, will review The Independent People by Hallor Laxness, at the regular monthly literary hour at 1 p.m. Monday, December 2, at the free County of Alameda and City of Albany Library (City Hall) 1045 Solano Avenue, according to Miss Shirley Preston, librarian.

Chest Executives Express Thanks

Appreciation to the many thousands who gave to the Albany-Berkeley Community Chest during the recent drive was expressed today by campaign general chairman Arthur K. Beckley and Chest president G. Clifford Pettygrove as final returns from the campaign were made public.

"It would cost the Chest many hundreds of dollars to mail personal thank you notes to the great number of men, women and children, as well as firms and organizations, who responded to the Chest's appeal," Beckley said. "We are sure the contributors would rather have that money go into welfare service and that they will consider this published acknowledgment a personal word of thanks."

To date the Chest has received cash or pledges totaling \$240,245.00, which is 96 percent of the goal. Campaign leaders consider this a fine accomplishment in the face of various adverse factors with which the drive was confronted this year, and they pay high tribute to the hundreds of volunteer workers who did a thorough job of soliciting. An encouraging number of people who were not contacted at home or business have sent or brought their gifts to the Chest office, Beckley reports.

Distribution of the funds will be made to the 21 agencies plus the U.S.O., on the basis of studies now being made by a budget committee of representative citizens, according to president Pettygrove.

Less than 10 percent of the amount collected is used for campaign expense and year around administration of the Community Chest, which includes collection costs, budgeting, public services, social planning, rent, utilities, and office expenses, it is stated.

Matinee Comedy At The Albany

The audience which saw "Our Hearts Were Young and Gay" has asked for more of the same variety of light, lively and altogether refreshing amusement, will be more than pleased with this latest comedy "Our Hearts Were Growing Up" which starts at the Albany show on Thanksgiving. The film co-stars Gail Russell and Diana Lynn, creators of the role, with popular Brian Donlevy adding the substance and humor to the hilarious proceedings.

For the holiday, the theater has arranged the show to start at 2 p.m. and timed so the first show will be out at 5 p.m., allowing for early turkey dinner and continuing through the evening for after-dinner relaxation.

On the same bill is a thriller for diversification and described in the press as "a sophisticated film of murder, intrigue and high-grade shocks." It's "The Walls Came Tumbling Down" from the celebrated novel off the best seller list. Lee Bowman, Margaret Chapman and Edgar Buchanan are involved in a fabulous secret of the walls.

Breakfast Clubs Will Hold Xmas Party

The Women's and Men's Breakfast Clubs of Albany will hold their annual Christmas Party on December 8th at Jim's Coffee Shop at 9 a.m.

The party promises to be interesting and fun for all. Entertainment as well as community singing will be features of the program. There will be gifts for all who attend and members are urged to bring guests.

President Kay Fritz and other officers of both clubs extend sincere invitations to all members and friends to attend this well-planned morning of fun.

Start the Holiday Season off right—attend the Breakfast Club Christmas Party.

Hospital Variety Show To Be Held Saturday

The Oakland Auditorium box office will open at 9:30 a.m. Saturday, November 30, to accommodate late purchasers of tickets for the Children's Variety Shows, Children's Hospital of the East Bay benefit scheduled for performances at 10 a.m., 12:30 p.m., and 2:30 p.m.

The hour-long show, featuring professional acts, will headline a magician, tumbling clowns, free gifts from Santa Claus, a demonstration of radio sound effects, Raymond Ray and his animal circus, Buddy Eckstrom, and Dean Maddox, the show producer and master of ceremonies.

Sponsored by Redwood Branch, the shows are planned for children of all ages, although adults are welcome. There will be a giant Christmas tree on the stage, holiday decorations, and community singing. Members of Redwood, plus a contingent of young girls from Piedmont High School, and Anna Head's School, will usher.

All seats are priced at 75 cents, tax included.

The School Education committee of the Berkeley-Albany Council of Parent-Teacher Associations presents their second meeting December 3, 9:15 to 11:30 a.m., at the Franklin School, San Pablo and Virginia, according to Principal Dr. George Martin, chairman.

"A Modern Kindergarten Program" will be discussed by Mrs. Barbara Pinkerton, chairman of the Social Studies sub-committee on kindergarten and head teacher of Jefferson School kindergarten. At 10 o'clock, there will be class room visitation followed by evaluation and discussion of the subject with attention to the social program, health factors and the exceptional child. All interested persons are invited to be at the Franklin School.

Roads Slippery When Wet

Recent heavy rains throughout the state, attended by a tragic rise in an already record-high traffic accident rate, mark the beginning of the most dangerous winter in California motoring history. Not only are highways slippery when wet, but this year they serve as a veritable lubricant for tires worn to smoothness.

Emergency measures, proposed and in being, should aid in check-

ing the accident rate to some degree in the months of short daylight, long rains and freezes. The State Division of Drivers Licenses has been allocated \$45,000 to finance immediate checks on the records of drivers involved in accidents, so that the licenses of those with bad records may be suspended or revoked immediately. Malcolm McEachin, president of the American Association of Motor Vehicle Administrators, proposed higher standards for drivers' license examinations at the association's annual convention in San Francisco recently.

Yet the inescapable hazards of winter driving in today's aged cars on today's overcrowded highways would be only partially lessened if it were possible to bar all fools, drunks and speeders from steering wheels. Under present traffic conditions, constant caution is the nearest thing to a guarantee of safety, and the wise motorist will drive as little as need be in the wet and dark.

GAS HEAT FOR WINTER COMFORT

Taking it easy with house heating is one of the big reasons why life is better in California. No work and trouble tending a fire, no muss and fuss or ordering of fuel and worrying about price or delivery.

With gas heating you can relax and enjoy comfortable, trouble-free, uniform heat—hour after hour, day after day. And yet with all this luxurious convenience gas heating is by no means costly. On the contrary, it is the most economical fuel to use. If you are planning to remodel or build a home insist on a modern, adequate gas-fired heating system for the entire house.

We hope TO SEE THE DAY when everyone has THIS PROTECTION

It is easy to understand why the idea of paying for future funeral costs, through a Funeral Service Policy, is sweeping the nation. It is a protection that no ordinary insurance can provide because it not only stipulates how much or how little shall be spent—it also provides immediate cash to pay funeral bills.

This means that savings and insurance funds are kept intact for their intended purpose...security for those who remain.

We will gladly tell you about a reliable Plan which costs very little.

Veterans News

Veterans of World War II who are working full time and would like to continue their education with correspondence courses may do so through the GI Bill of Rights and the Veterans Administration.

Any veteran who is eligible for education is also qualified to take one or more correspondence courses.

Application can be made in person or by mail at the nearest VA office, where information regarding approved schools and courses is available.

Time spent in studying by correspondence consumes only one-quarter of a veteran's education entitlement. However, if such study gives college or university credit and the veteran is enrolled for six or more credit units, one-half of

the time spent in completing the courses will be charged against his entitlement.

For example, if a veteran who is entitled to three years of education spends one year completing a correspondence course, he will have used only three months of his education entitlement—one quarter of the time used to finish the course. If the same veteran should take two courses from the University of California that give three credits each and require four months to complete, two months will be charged against his entitlement—one-half of the time spent on the courses.

VA will pay up to \$500 for the complete cost of all correspondence work taken, including equipment that is normally required. In no case will a subsistence allowance be paid.

Whatever education entitlement is left over when the veteran has finished his correspondence courses may be used for any other type of approved educational pursuit, including on-the-job training.
